

GMR Kamalanga Energy Limited

5S Management System Policy (Ujwala Paribartan Policy)

GMR Kamalanga Energy Limited is committed to establish the culture of 5S towards achieving a systematic, conducive, clean and safe working environment in order to enhance productivity, provide excellent service for customers, employees and all stake holders.

To achieve the above, our priorities lie in the following areas:

- ❖ To have a safe, clean and well organized workplace.
- ❖ 5S Principles implemented as part of a larger Lean initiative or as a standalone tool to reduce waste, improve quality, promote safety and drive continuous improvement.
- ❖ Ensure optimization of natural resources through 5S Principles eliminating waste and increasing efficiency in our processes.
- ❖ Involvement of employees at all levels to inculcate EHSQ culture by identifying Risks & opportunities for continual improvement in the processes.
- ❖ Provide Training & Learning to employees and associates at all levels to ensure competence and awareness in order to sustain 5S System.
