

BTG team of GMR C'garh Energy Ltd brings smile on innocent faces

■ Staff Reporter

RAIPUR, Jan 23

MONTESSORI students of Government School, Khamariya where the kids were craving for basic needs of amusement, team BTG of GMR Chhattisgarh Energy Limited (GCEL) has identified the needs and deliberated to bring to smiles on the face of innocent kids. It is note-worthy that in coordination with school management the requisite steel structured materials like 24 desks for class 1st to 5th, See-Saw and two sitter swings were fabricated and installed by the BTG team of GCEL using internal resources of the plant. Most optimally used resources put to best use amongst school children. Team of GMR Varalakshmi Foundation planned a grand programme for the inauguration of installed play items.

COO Ravi Shanker S, O and M Head Sandeep Pachpore and other distinguished officers of GCEL accompanied by villagers and school management were present in the inaugural programme. COO in consort with O and M Head and Sarpanch of Khamariya Nem Singh Katariya inaugurat-

ed the function by lighting of lamp with breaking coconut at the school. GCEL team also donated three ceiling fans for use in class rooms and arranged to repair and repainting of all black boards of the school. 100 blankets and other class room accessories were distributed to all the students of the school.

Speaking on the occasion Ravi Shanker assured all possible help to the villages in this special ini-

tiative. He also called upon the villagers at large to encourage all kids in the family to attend school to ensure minimum basic education for all. These initiatives are improving the infrastructural requirement of the village school, praised Nem Singh Khataria on the occasion.

The school management lauded the efforts of BTG team of GCEL for this initiative in general improvement of the school.
